

Miltaburra Area School

Respect Persistence Responsibility

From the Principal ...

Hi Everyone,

Welcome back to a new school year. 2017 should be another great year for Miltaburra Area School. I'm looking forward to working with our great staff, students and community once again. 2017 will see continued focus on improving individual and whole school student outcomes, with specific focus areas of literacy (writing), digital technology and student voice in the curriculum. If you have any questions regarding your child/ren's progress, or any other school matters, please feel free to contact either myself or your child's teacher to make an appointment.

Term 1 will be a busy time with athletics carnivals. Sports day is in week 5 and this year, we will be hosting Karcultaby Area School for another combined sports day. I hope to see as many of you as possible at sports day to support our students.

The school now has a **Facebook page** for communication. It is a closed group that people require permission to join. The address is:

<https://www.facebook.com/groups/2118513495041037/>

Please request permission to join the group if you would like. This group **does not** replace current methods of communication for sending out important information, but we will use it as an additional avenue to send out reminders and other pieces of news.

I would like to welcome **new students** and their families; Corey and Kayla Cerezo and Kane Hogben-Wait.

Welcome back also to **Ms Lisa Olsson** who is returning to school after parenting leave, and will be teaching predominantly in the 4/5/6 class. Mrs Natasha Gill will take on the role of **Preschool teacher** for 2017 whilst Denise Watson takes a well deserved year of leave.

We will have a **new music teacher** this year - Mr Neil Benstead who is a DECD visiting instrumental music teacher based in Streaky Bay. Mr Benstead will teach music on Thursdays starting in week 2. He will initially work with the students that were on Flip's list. Please see the note attached to this newsletter if you wish to add your child/ren to the instrumental music waiting list.

Please take the opportunity to drop in during the term and see the great work our students are doing in class.

Teaching and Learning

The school has been lucky enough to have a chance to participate in the DECD primary 3D printing project which aims to integrate 3D printing technology across the curriculum. Several staff will be attending the project launch and initial training on Monday 6/2/17. This project fits well with our school improvement priority around digital technologies.

VOLUNTEERS NEEDED for the CANTEEN ROSTER

Our school canteen relies on parent support to run the canteen twice a week.

Our aim is to only roster parents on **one day per term**.

Unfortunately, it is getting harder to fill the roster as more parents are unable to volunteer their time due to various reasons.

If your circumstances have changed and you are able to volunteer **one day per term** or you don't mind being rostered on **more than once per term**, could you please advise Sondra or Renae.

Please note the canteen will be closed on days when no volunteers are available
