

Miltaburra Area School

Respect Persistence Responsibility

From the Principal ...

Hi Everyone,

Sports Day and Interschool are now over. Thankyou to all the parents and staff who contributed to our successful sports day. It was a great pleasure to host Karcultaby here. In particular, thanks to the parents who came along to our working bee. Special thanks to Renae Olsen and Natasha Gill for an incredible amount of work organising our sports day and WCIAC. Thanks also to Jasmine Sinclair for extra hours worked getting the grounds looking good. Finally, thanks to all of our students for the way they conducted themselves. They showed persistence, maturity and great sportsmanship. We are all looking forward to going to Karcultaby next year!

Hats

Just a reminder that students need to wear a broad brimmed hat whilst outside during this term. We have a "no hat / no play" policy. Several hats went home after sports day or interschool and have not yet reappeared.

Reporting / Communication

Following on from last year, we are continuing to send home work books or work samples from each subject area throughout the term with information about the work being covered. This will replace the old system of sending home the portfolios at the end of the term.

Parents have the chance to look through these samples from each subject area, and the opportunity to discuss them at parent teacher interviews in week 10. Please see page 2 for a schedule of subject areas and when they will send home workbooks. Please return workbooks to school the next day!!

This week, Science, Art and Spanish books will be sent home.

Teaching and Learning—3D printer project

Last week we had Mandi from Makers Empire (3D design software company) come to the school. Miltaburra is part of the DECD 3D printing project and she worked with us as we developed our ideas. We have now started work across the school on a cross-curricular unit of work that will focus on critical and creative thinking and the design thinking process. It will culminate with opportunities to 3D print some student developed solutions. We will be sharing our work with other project participants and other DECD schools. I look forward to showcasing this work with the community once it is complete.

FOR YOUR DIARY

Week 8

WASSAC athletics carnival *Mon 20th Mar*
at Roxby Downs

Week 9

Governing Council 6:30pm *Wed 29th Mar*

Week 10

Student Free Day *Mon 3rd April*
staff Training & Development

SSSSA (SunSmart) *Wed 12th April*
Athletics in Adelaide

End of Term *Thurs 13th Apr*
Good Friday *Fri 14th April*

Karen Stokes

A Kids Matter school

Thursday 6th April Streaky Bay Sports Complex 3:15pm

For all youth aged between 12 & 25 years of age

It's that time of year again! time to celebrate National Youth Week! We have lots of activities for you to get around this year so get in quick and put your name down as **places are limited.**

This year we are going to start a West Coast record and create the biggest ever Nacho. This is a fabulous opportunity to be involved in the very first Nacho record the West Coast has ever seen!! So put your name down to be on the cooking team.

Other events on the day are laser skirmish in the scrub, mixed netball, weaving workshop with Lauren Karp, lifestyle workshops with Stay fitness (Brooke Cupples) and Zest (Suzy Kenny).

The afternoon will be fully catered.

Run into the front office or the Visitor Information Centre Streaky Bay and put your name on the events you want to be a part of before they fill up. We need numbers as soon as possible so we can make up the schedule. You can register for as many activities as you want however as there are limited spaces they may not be available.

For more information please contact the *Youth Coordinator Mid-West Health* :

Sharni Cupples Phone: 08 86261310 Email: Sharni.Cupples@sa.gov.au

Community Development Team Leader Council

Jess Davis Phone: 08 86267 033 Email: davisjessica@streakybay.sa.gov.au
