

Miltaburra Area School

Respect Persistence Responsibility

Hi all,

Congratulations to **Laykin** who was successful in his **SAPSASA** netball trial last week. He will be representing the EP in the first SAPSASA netball for boys and congratulations to **Hunter** on being selected in the Western Eyre SAPSASA football team.

We have redesigned and released a new school website. Future copies of the newsletter will be uploaded to the site which means we can easily add a link to the Facebook group also. We will continue to email the newsletter but emails will include a link to the newsletter page on the school website. The school website address is www.miltaburraas.sa.edu.au. Newsletters can be found in the "information for families" section under "latest news."

As part of our wellbeing program, we will be partnering with Foodbank to host a **Breakfast Club** at Miltaburra. All students will be able to participate after the buses arrive each morning. Thanks to Kirsty and Rebecca for their work on this.

A note on dietary requirements.

Gluten Free will be available.

Lactose Free will be available.

Breakfast Club will be nut-free.

If you have a child who has any food allergies or restrictions the school is not yet aware of, please notify the school as soon as possible.

National Simultaneous Storytime (NSS) is held annually by the Australian Library and Information Association (ALIA). Every year a **picture book**, written and illustrated by an **Australian author** and **illustrator**, is read simultaneously in libraries, schools, pre-schools, childcare centres, family homes, bookshops and many other places around the country. Now in its 24th successful year, it is a colourful, vibrant, fun event that aims to promote the value of reading and literacy, using an Australian children's book that explores age-appropriate themes, and addresses key learning areas of the National Curriculum for Foundation to Year 6. This year the date is: **Wednesday 22nd May**.

Thank you

The Library received a generous donation from the Lawrence family of 12 non-fiction, information books last week. Considering most hardback reference books (on average) are \$25 each, this was a significant and kind donation. The students will be able to borrow these books for research on a specific topic or read for general interest.
