

Miltaburra Area School

Respect Persistence Responsibility

Hi all,

Welcome back for term 3. Time certainly flew by in the holidays. I trust everyone enjoyed some relaxing time with family, and most importantly got some rain!

Welcome to our new Reception and Associated Program students who have started as part of our first mid-year intake: Reception students Ivy, Henry, Lincoln and Flynn and Associated Program children Emison, Harper and Freddy.

The Governing Council has approved the next **student free day** for Friday 16th August. Staff will be undertaking professional development with a visiting expert.

Congratulations to our school captains Hannah and Marley. They were chosen for their demonstration of leadership, commitment to learning and demonstration of school values.

Welcome to Kelsey Baldock who will be starting at the school 1 day per week in a student support role.

The Governing Council has published proposed bus route changes for community feedback. The survey link can be found on the school Facebook page, or via the QR code below:

No Hat No play

Don't forget that in term 3, students are required to wear a broad brimmed hat or a cap for all outdoor activities. Students without a hat will be asked to remain in shaded areas.

Term 2 School Values and GEM Award winners from Term 2: Shaun, Dylan, Laykin, Marley, Aish, Maya, Jax, Shyla, Karla, Iylah, Ivy, Jy, Dustin and Henry.

LEARN AND THRIVE

Our bees have made an unBEElievable over seas journey, cruising on the ferry from Kangaroo Island. They had a stop over in McLaren Vale for a much needed 2 week holiday. The bees did not think much of the 8 hour drive back to Miltaburra and decided 40km out of Kyancutta, they would rather be inside Mr Castley's car than in their hives!

above: secondary students ran the CO2 Grand Prix last term with one of Mr Dunn's past cars winning and second place was Dylan.

left & right: The secondary students conducted a science experiment, observing the coloured light produced by electrons, as they jump between shells within an atom.

An extended **"thank you"** to everyone who supported
the major secondary camp **Quiz & Auction** night.

Thank you to all the businesses for donating generous
auction items or food to support the event.
Thank you to *Shane and Kirsty* for donating both their time
and ingredients to make and buy the food for the night.
Thank you to the *Hall Committee* for cleaning the hall and
allowing us to use it, also finding gas heaters and
opening the bar for the occasion.

BIG thanks to *Reuben*, for stepping in as our last-minute
co-host and was a fabulous auctioneer, with *Jed*!
Much appreciation to the Quiz winners and various attendees
for donating cash back and buying lots of tickets.

Thank you to our *Miltaburra Area School* staff for all their
support in making the event to go ahead. Thank you *Lisa and
Jesse* for their hard work and organisation behind the scenes.
Also to *Sabrina* for everything she put together in the lead up
to the event and organisation on the night.

The students and staff participated in First Aid training with bandaging, CPR and the use of an Epipen.

The 2/3 class explored with the Virtual Reality (VR) headsets. They learnt how to use them and explored space.

Last term we had a visit from SAPOL to teach and remind children about road safety.

Preparing a pathway to employment

Register to learn about paving a pathway to post school life.

The National Disability Insurance Agency (NDIA) would like to invite young people who are supported by the NDIS, and their families and carers to attend a webinar about developing skills and paving a pathway to employment post school life.

[Book your ticket now via Humanitix](#)

We will discuss the NDIS-funded supports and assistance available to help young people build skills to prepare for their transition. The webinar will cover:

- NDIS supports available to help achieve your education and employment goals.
- Preparing for your planning meeting and the resources available.
- Finding a suitable provider.
- Case studies and scenarios.

Who should attend: Students with a disability on NDIS in Years 9-12, families, carers and education professionals.
