

Hello everyone,

End of Term

It is that time of the year when the days zoom past and the end of term comes quickly. For some that is too fast and for others, not quick enough! The last day of school for this year will be *Wednesday 11th of December*, it will be normal bus times. On Thursday, staff will be on site analysing student data, which has been collected throughout the year. This will enable future planning for individual students across the year levels for 2025.

School Concert

Monday 9th of December, the concert will be held at the school. Jodi Martin and the children will be showcasing their music at 5pm and food will be available for dinner. Please refer to Facebook posts with updated information. There will be **no Canteen on the 9th December** as children will practice for Concert, then will leave on buses at 12.15pm. They will be expected back at school by 5pm, but earlier if they are involved in the music or cooking dinner.

The Talent show will begin at 6pm. All community members are encouraged to come and help us celebrate the end of the school year. Community members are encouraged to join with us and share their talent.

Beach Day - late start - Tuesday 10th December

On this Tuesday school will start one hour later. Updates about the day will be on Facebook.

Transition

Children beginning in the Reception class next year have already begun their visits to the R/1 class. They begin by joining for one lesson, then until lunch and then until the end of the day.

In Week 7 and Week 8, students who are transitioning to a new classroom in 2025 will be spending Lesson 1 in that area on the Wednesday morning. In the past, we have recognised that this helps students become familiar with a different area and teacher so they can begin the year less anxious and more excited.

School Value and GEM Awards for Term 4

These awards will be presented at 9.50am on *Wednesday the 27th November*. This will follow the Transition lesson across the school. You are invited to join the Award presentations and to spend recess with your child.

ASSOCIATED PROGRAM in the Preschool

If you are a parent of an AP child for 2025, please note that this program will be available on a Tuesday. Next year will be the last year this program will be available as in 2026 we will be running 3-year-old Preschool. More details will follow as they become available.

SCHOOL POINTS

Who will win the shield for 2024?

We only have a few weeks to go until we find out which team will be the winner for 2024.

At this time, we have *Nunulla* on **704** and *Lamuckla* on **754**.

Come on Nunulla, let's see if you can peg them back.

Reports

You should have received an email last week with your child's Traffic Light report.

The end of year report A-E graded will be sent home with students at the end of the term.

SAPSASA

Well done to Flic and Mia for being selected in the SAPSASA tennis team to represent Miltaburra in the Western Eyre Peninsula Team. Thanks to Jesse for taking on the role as Coach/Manager, a huge job.

SPORTS TOPS

After much discussion with students, Governing Council members and parents the tops are at the designing process. Jesse Castley has taken on the job of working with the students to design a top that encompasses our connections and story at Miltaburra. If all goes to plan the tops will be ready for our Sports Day in Term 1.

Civics and Citizenship visit

The 7/10 class will be involved in a program tomorrow to learn more about Civics and Citizenship. We will have some Parliament staff present a program that encompasses learning about the levels of government, the election process and the structures of both, the House of Assembly and the Legislative Council. They will also discuss what contributions students can make to our democracy and help them recognise issues that they could pass on to our local MP. They will use props to role-play law making. It is always fantastic to have visitors into our school to help make learning authentic and engage the students. As always, keep in contact and I look forward to seeing you at the Awards Assembly or at the Concert or before.

Cheers Kerri Kelsh
Acting Principal
